

# Ezekiel Yearbook Information

Another successful *Accolade* has been produced and we are encouraged by your photo contributions! There is **NO COST** to submit pictures and the more we receive the better. We especially need grade level pictures of each student, preschool - 12th grade, as well as sports events, clubs, organizations, field trips; basically any picture showing what you do during a typical day of homeschooling.

Submit pictures to [ezekielyearbook@gmail.com](mailto:ezekielyearbook@gmail.com) We prefer to edit and crop the photos to ensure they will fit appropriately in the page design. It's easy for us to crop a photo but impossible to make the photo larger once it's been cropped.

Please consider participating in the **Lifetouch Picture Day** scheduled **Monday, 9/14/15 10 am - 3 pm**. Appointments can be made through the EA office, but walk-ins are welcome. There is no obligation to purchase pictures, but anyone who participates gets their photo in the yearbook at **NO COST!**

Whether you choose to take Lifetouch pictures or if you'd rather submit your own digital shots, please be sure to **submit pictures no later than 1/31/16**. I would encourage those who prefer taking their own "school" pictures to consider doing this during the next few months before the busy holiday season.

**Reserve your 2016 *Accolade* yearbook \$20 deposit due 11/30/15, with balance due 2/29/16**

The cost of the 2016 *Accolade* is approximately \$40. We won't know for certain until the new yearbook staff plans

the layout and we determine how many seniors want to purchase senior pages. Ask about our "Early Bird" discounts for senior pages. Stay connected with our staff for updates, reminders, and contests: [Facebook.com/eayearbook](https://www.facebook.com/eayearbook)
