

EZEKIEL ACADEMY KNIGHTS

Athlete & Parent Agreement Form

SCHOOL YEAR: 2017-2018

Being a part of the Ezekiel Academy (EA) Athletic Program means that the student athlete (player) is agreeing to train for a highly visible and influential leadership role among other youth. Much is required of our team members because being a leader is defined as "being responsible." It requires being a leader and not a follower. It means hard work, dedication, commitment, and cooperation. The EA Athletic program's purpose is to help the student athlete grow in his / her spirit man as well as in his / her athletic skills and personal relationships. Please consider carefully all the requirements and guidelines as stated for each EA team member and parent. Then sign this agreement and submit it with your student's Athlete Information Form.

We the undersigned, acknowledge that we have read and understand the student athlete requirements and the parental responsibilities of the EA athletic program as stated in the EA Knights Athletic Guidelines and are in compliance with such requirements as set forth for each member of the team. We understand that the disciplinary consequences defined in the EA Knights Athletic Guidelines will be followed in regards to failure to comply with any portion of the EA Knights Athletic Guidelines.
