Health	0.5 Credit	0.5 Credit
Computer Science	0.5 Credit	0.5 Credit
Foreign Language	None	2.0 Credits
Electives	7.0 Credits	3.5 Credits

COURSE SUBJECT SUGGESTIONS

This is in no way a complete list of subjects that may be taken. Before your student starts 9th grade, check the websites of a dozen or so colleges that he might want to attend and see which subjects are required or recommended for admissions. This is especially true for Junior Colleges. (Junior Colleges require 4 x 4 – that is: 4 credits each of English, Math, Science and History.) Planning your student's high school program to include those subjects can help him gain admission to the college of his choice.

MATHEMATICS

Algebra I
Algebra II (Highly recommended for College Prep)
Geometry
Consumer Math
Trigonometry
Calculus
Business Math
Accounting

SCIENCE

Physical Science
Life Science (Biology, Botany, Ecology, Anatomy)
Chemistry
Health (0.5 credit)
